### MESSAGE FROM THE MATCH ORGANIZERS

On behalf of the Organizing Committee of ONTarget: Rifle and Pistol Alliance, PSO agent under the Ontario Council of Shooters, we welcome all participants to the 2016 Canadian National Pistol Championships. We wish to thank the many volunteers who have donated their time, expertise and hard work in order that we may host this competition. An event of this size would not be possible without their significant contributions.

Our deepest appreciation is extended to our sponsors and all other supporting partners and organizations. Their generous contributions reaffirm the fact that this event has the best quality support from the highest quality people in Canada.

At this time we would like to thank the members of the Organizing Committee whose assistance has been invaluable in the organizing of this competition: Pat Vamplew, Avianna Chao, Don Newman, Mark Lewis and Steven Spinney.

### **ISSF DRESS CODE**

International Shooting Sport Federation Internationaler Schiess-Sportverband e.V. Fédération Internationale de Tir Sportif Federación Internacional de Tiro Deportivo

#### **ISSF DRESS CODE**

ISSF Regulations Regarding the Clothing of Athletes, Coaches and Officials

##### **6.7.6 ISSF Dress Code**

It is the responsibility of athletes, coaches and officials to appear on the ranges dressed in a manner appropriate for a public sports event. Clothing worn by athletes and officials must comply with the ISSF Dress Code. See 6.19 for the full ISSF Dress Code.

6.7.6.1 If shorts are worn during competitions, the bottom of the leg must be not more than 15 cm above the center of the kneecap.

6.7.6.2 During competitions, athletes must wear shoes that comply with these Rules. Athletes may not wear sandals of any type or remove their shoes (with or without socks).

6.7.6.3 During Award or other Ceremonies, athletes are required to present themselves in their official national uniform or national training suits and sport shoes.

6.7.6.4 Juries are responsible for the enforcement of the ISSF Dress Code.

##### **6.19 ISSF DRESS CODE**

ISSF Regulations regarding the Clothing of Athletes, Coaches and Officials

ISSF Rule General Technical Rule 6.7.6 states:

"It is the responsibility of athletes, coaches and officials to appear on the range dressed in a manner appropriate for a public sports event. Clothing worn by athletes and officials must comply with the ISSF Dress Code. Copies are available from ISSF Headquarters."

This ISSF Rule is the basis for the ISSF Dress Code that is provided in this document.

##### **6.19.1 GENERAL**

All sports are concerned with the image they present to the public and media. Olympic sports, in particular, are judged by whether their athletes and officials present professional images and are a credit to their sports. Shooting's ability to grow as a sport and attract new participants and fans as well as shooting's future status in the Olympic movement are affected by how its athletes and officials appear to the public and media. The ISSF established the ISSF Dress Code to provide specific regulations and guidelines for the implementation of Rule 6.7.6.

##### **6.19.2 DRESS REGULATIONS FOR ATHLETES**

6.19.2.1 All clothing worn by athletes in Training, Elimination, Qualification and Final Round competitions must be clothing that is appropriate for wear by athletes in international-class sports competitions. This clothing must convey positive images of shooting athletes as Olympic sport athletes.

6.19.2.2 During award or other ceremonies, athletes are required to be dressed in their official national uniform or national training suits (tops and bottoms of training or warm-up uniforms including sport shoes). For teams, all members of the team must wear appropriate national uniforms (Rule 6.7.6.2).

6.19.2.3 Rifle athletes must comply with Rifle Clothing Regulations described in Rule 7.5. If they do not wear special shooting trousers or shoes, the clothing worn during competitions must comply with this ISSF Dress Code.

6.19.2.4 Pistol athletes must comply with Pistol Clothing Regulations described in Rule 8.5.

6.19.2.5 Shotgun athletes must comply with Shotgun Clothing Regulations described in Rule 9.12.1.

6.19.2.6 The intention of ISSF Rifle, Pistol and Shotgun clothing rules is that athletes in competitions must wear sports-type clothing that incorporates or displays national, NOC or National Federations colors and emblems. Appropriate clothing for wear during competitions includes training suits, tracksuits or warm-up uniforms, etc. as issued by National Federations or NOCs.

6.19.2.7 Prohibited clothing items for competitions and award ceremonies include blue jeans, jeans or similar trousers in non-sporting colors, camouflage clothing, sleeveless T-shirts, shorts that are too short (see Rule 6.7.6.1, not more than 15 cm above the center of the knee), ragged cut-off shorts, all types of sandals, trousers with patches or holes as well as shirts or trousers with non-sporting or inappropriate messages (See Rule 6.12.1, no propaganda). Sporting colors should be national uniform colors. If national colors are not worn, non-sporting colors that should be avoided are camouflage, plaids, khaki, olive or brown.

6.19.2.8 Changing clothes must be done in designated areas and not on the field of play (no changing on the firing points or in the ranges).

6.19.2.9 All clothing must comply with ISSF Commercial Rights, Sponsorship and Advertising Rules regarding the display of manufacturer and sponsor marks.

### 6.19.3 DRESS REGULATIONS FOR OFFICIALS

6.19.3.1 The ISSF Dress Code also applies to ISSF Jury Members and National Technical Officials including Range Officers and Shotgun Referees.

6.19.3.2 Competition officials must wear clothing that reflects the professional nature of their responsibilities. While they are on duty, Jury Members must wear the red Jury vests that are available from ISSF Headquarters. While they are on duty, Shotgun Referees must wear the blue Referee vests that are available from ISSF Headquarters.

6.19.3.3 Competition officials may not wear any prohibited clothing items that are described in paragraph 6.19.2.7 above.

### 6.19.4 DRESS REGULATIONS FOR PHOTOGRAPHERS AND TV CAMERAMEN

6.19.4.1 Accredited photographers and TV cameramen with access to the field of play must respect the ISSF Dress Code because they are working in the public view.

6.19.4.2 Photographers and TV cameramen should not wear sleeveless shirts, cut-offs, gym or running shorts. If they wear shorts, they must wear socks and shoes.

6.19.4.3 Photographers working on the field of play must wear the official bib vest for POOL or NON-POOL PHOTOGRAPHERS that are issued by the ISSF. Photographer vests will bear the ISSF logo and may bear one sponsor logo not bigger than the ISSF logo. Photographer vests are numbered so photo coordinators or the ISSF Technical Delegate may identify photographers.

6.19.4.4 TV cameramen working on the field of play must wear the official bib vest for TV CAMERAMAN. These vests must bear the ISSF logo and have easily distinguishable numbers on the front and back of the bib vest so that TV cameramen can be identified.

6.19.4.5 Photographers and TV cameramen are not allowed to wear any other vest or jacket displaying advertising while working on the field of play.

#### 6.19.5 ENFORCEMENT PROCEDURES

6.19.5.1 ISSF Equipment Control, Rifle, Pistol and Shotgun Juries are responsible for enforcing ISSF Clothing Regulations and the ISSF Dress Code (Rule 6.7.6.3)

6.19.5.2 During ISSF Championships, ISSF Juries will issue written warnings with requests to correct clothing violations for first violations. Athletes who receive written warnings and who do not correct clothing violations (change clothing) will be disqualified. Juries will normally give warnings during equipment inspection or training. Juries may allow an athlete to complete a Pre-Event Training series or stage (Shotgun or 25m Pistol) before changing if sufficient time to change is not available. No athlete will be permitted to participate in a Qualification or Final Round competition or in an awards ceremony while wearing inappropriate or prohibited clothing.

6.19.5.3 Before and during the competitions, Juries must use the ISSF Dress/Advertising Code Violation Warning Form (Form DC) to inform Dress or Advertising Code violators and to request corrective action.

**APPENDIX B**  
**CODE OF ETHICS**

## **Article 3.12.3.5, Annex “CE”**

### **ISSF Code of Ethics**

#### **PREAMBLE**

In accordance with the ISSF Constitution, the objectives of the ISSF are to promote and encourage the development of the shooting sport throughout the world, to provide drug-free sport and to promote and encourage the development of international relations.

The purpose of this Code is to guarantee that the objectives of the ISSF will be executed in a fair manner, without improper interference, and to sanction incidents that damage the image of ISSF activities or bring them into disrepute.

ISSF members, continental organizations, teams, officials and athletes shall participate in ISSF Championships and activities in accordance with the standards of ethics, fair play and sportsmanship established by the ISSF Statutes, Rules and Regulations and by this Code. This Code provides basic standards for fair play and moral behaviour and procedures for judging and sanctioning violations of those standards.

With the following regulations the ISSF adopts its own code of ethics based on the principles and rules of the IOC Code of Ethics.

Furthermore, acknowledging the danger to sports integrity from the manipulation of sports competitions, ISSF restates its commitment to safeguarding the integrity of sport, including the protection of clean athletes and competitions as stated in the Olympic Agenda 2020. Therefore, ISSF with these regulations also implements the new IOC Olympic Movement Code on the Prevention of the Manipulation of Competitions. The Definitions used in version 2016 of such IOC Code also apply to the following rules.

For enforcement of this Code, the ISSF may establish an Ethics Committee.

#### **1 SCOPE OF APPLICATION**

##### **1.1 SCOPE OF APPLICABILITY**

This Code shall apply to conduct that damages the integrity and reputation of sports and in particular to illegal, immoral and unethical behaviour.

##### **1.2 PERSONS COVERED**

This Code shall apply to all officials and employees of the ISSF, ISSF member federations, the Continental Shooting Sport Confederations, as well as to athletes, coaches and other participants in ISSF activities.

### **1.3 APPLICABILITY IN TIME**

This Code shall apply to conduct whenever it occurred including before the passing of the rules contained in this Code.

However, no individual shall be sanctioned for breaching this Code on account of an act or omission which would not have contravened the Code applicable at the time the breach was committed.

Neither may they be subjected to a sanction greater than the maximum sanction applicable at the time the breach occurred.

This shall, however, not prevent the Ethics Committee from considering the conduct in question and drawing any conclusions from it that are appropriate.

### **1.4 SCOPE OF THE CODE, CUSTOM, DOCTRINE AND JURISPRUDENCE**

During all its operations, the Ethics Committee may draw on precedents and principles already established by sports doctrine and jurisprudence.

### **2.1.5 Other ethical offences**

## **2.2 UNDUE ADVANTAGE**

### **2.2.1 Conflicts of interest**

When performing an activity for the ISSF, or before being elected or appointed, persons bound by this Code shall disclose any potential conflicts of interest that could be linked with their prospective activities.

Conflicts of interest arise if persons bound by this Code have, or appear to have, private or personal interests that detract from their ability to perform their duties with integrity and in an independent manner. Any such conflict shall be immediately disclosed and notified to the body or organization for which the person bound by this Code performs his duties.
