

# **ATTENTION ALL JUNIORS!**

The 2016 Ontario Summer Games shooting events (2 disciplines – Sporting Rifle & Air) are being hosted by the City of Mississauga and will take place August 11 – 14, 2016 at the PanAm Range. These are Sporting Rifle (3P & Prone) and Air (both Rifle & Pistol) matches for Juniors only.

To be eligible for these Games a Junior must be at least 11 years old and not older than 20 on August 11, 2016 and must be a member of ONTarget: Rifle and Pistol Alliance if such athlete accepts a team spot (see LSBA bulletin for more information regarding this).

Trials for these Games will be conducted this year in conjunction with the Ontario Indoor Championships (April 9, 10, 16 & 17) at all locations and at the Tournament of Juniors (May 28 at East Elgin Sportsman's Association). The trials for Sporting Rifle for both male & female shall consist of a 60-shot Sporting Rifle 3-Position match (20 shots in each of Prone, Standing, and Kneeling). The trials for Air Rifle and Air Pistol will consist of 60 shots for males & 40 shots for females. Should scores be submitted from electronics, they will be converted before ranking.

The top 10 males and top 10 females in each of the Trials for each discipline of Sporting Rifle and Air (Rifle & Pistol) will be selected to compete in the Ontario Summer Games. Any athlete can submit as many scores as they wish but only their highest score per discipline will be used to determine their ranking for qualification purposes. Each athlete's highest score per discipline will be taken and entered on a list in order of highest to lowest score and the first 10 males and the first 10 females highest scores will be invited to participate in the Ontario Summer Games. The remainder of the listed athletes will be considered alternates and will be contacted on an individual basis in the order of ranking on the list should an athlete with a higher score decide not to participate.

To compete in the trials please fill out the Qualification form available at the desk – the match director at your location will calculate your scores and forward it to ONTarget following the match. [All applications must be received by June 6, 2016.](#)

**NOTE:** There is no fee for the trials. If you wish to enter the Trials without fully competing in the Indoor Championships or Tournament of Juniors there is no charge once per discipline/per event (i.e. 1 x 3P and/or 1 x Air event at any date for Indoor Championships and 1 x at Tournament of Juniors), however your score will not be eligible for awards at such match and/or for classification purposes. Any further entries after the initial free entry must be paid for as a regular entry.
