Instructor Beginner (Rifle, Pistol or Shotgun: Trap, Skeet): This workshop is for coaches working with participants experiencing the sport for the first time. There is no formalised competition at this level; it is about skill development. This workshop provides general information about safety and instruction using firearms. Participants will cover common sections as a group and then separate into three groups (Rifle, Pistol, Shotgun) for modules that are discipline focused.

The workshop will be conducted in class over the span of one weekend (two days).

Coaches will learn:

- To develop the beginner`s technical discipline specific shooting skills
- To critically analyze the shooter`s position
- To effectively implement corrections
- To assist individuals in adopting traits and qualities that contributes to character.

Participants must be current, registered members of Shooting Federation of Canada (SFC).

To apply for this workshop, send by email a brief resume/application including your contact information (full name, address, phone number), SFC #, NCCP #, shooting discipline, experience, home club, etc. If you don't yet have a NCCP # you can get one by going to www.coach.ca and click on the Locker tab.
