

ONTARGET RIFLE AND PISTOL ALLIANCE
ONTARIO INDOOR SMALLBORE RIFLE AND PISTOL CHAMPIONSHIPS
KITCHENER- OTTAWA- GALT- OWEN SOUND-KINCARDINE
APRIL 7,8,14,15,28,29, 2018

The Ontario Indoor Championships had to be extended this year because of the weather. The ice/snow storm of the 14th made travel very dangerous indeed. Thus, the addition of the 28 and 29 weekend thanks to the local convenor. I would like to take this opportunity to thank Lou Anderson for organizing the winter LSBA and Indoor Championships again this year. Without his time, effort and leadership our sport would not be structured/organized so well as it has been for the past 50 years. Lou is trying to ease his way out of the administration so I will try to keep up with first class results. So, please advise me ASAP if you find errors (plewiee@gmail.com). A special thanks to local convenors Bob Moon, Harold Frey, Gord Smith and Doug Ratcliffe and all range officers who assisted in making this year's indoor championships a success.

There were no Provincial records this year although Chris Baldwin came within 1 point in the ISSF Air Rifle event. The matches turned out to have some interesting results. Many Provincial Champions were declared by the last 10 shot strings or equal scores but higher x count ! In the Men's ISSF Prone Any event Kiril Nesterenko edged out Neil Bowers by a tie breaker on the 5th series. Chris Baldwin edged out Michal Dugovic on the last 10 shots standing, 93 to 87. In the Silhouette Standard event Pete Sedman edged out perennial Champion Harold Frey on the last string 13 to 12 turkeys while having equal scores of 49. Christie Light edged Erin Allen on the last string for her Provincial Championship.

Many ISSF shooters are turning to electronic targets again this year. Those electronic results will make these competitors ineligible for Provincial Championship awards but, awards will be given to the highest ET score in their given event. (three or more competitors in an event.)
