2020 Ontario Winter Games Trials Selection Results!

Thank you to everyone involved in the 2020 Ontario Winter Games 10m air rifle and 10m air pistol shooting selection events. Kindly note that unfortunately there were no junior pistol athletes that participated so this event will now be air rifle only.

Here are the selection results that you've been waiting for in order of ranking. Please note that the top 8 female and male athletes will be extended an invitation to the Ontario Winter Games teams and the remaining athletes will be placed on the alternates list.
