

## 2023 Ontario Provincial Pistol Championships

On behalf of ONTarget Rifle and Pistol Alliance, please accept this report and attached results for the **2023 Ontario Provincial Pistol Championships**. It looks like we're still rebuilding this year, with attendance similar to 2022, there is still a long way to go. A lot of the old familiar faces were back, with some notable exceptions. Shane Staniek moving to Vancouver means that we didn't see anyone "Shane the match" this year.

Before I get into the details, I want to thank your volunteers. They cleaned the range, ran the computers, managed registration, setup targets, called lines and ensured that everyone enjoyed a safe series of matches. They worked so others could have fun. Please join me in thanking the volunteers that made this event happen:

**Avianna Chao**  
**Richard Horne**  
**Ian Pattison**  
**Robert Assaf**

**Pat Vamplew**  
**Margus Jukkum**  
**Dennis Pyle**

As mentioned, attendance was slightly better in 2023 than it was in 2022, but there were still far too many empty spaces on the firing line. A big part of this may be the lack of other sanctioned matches in the province. The last sanctioned match (apart from the Grand Prix and LSBA – both air-only matches for pistol) I believe was the 2022 Nationals, some 11 months before. I want to make growing the number of matches a priority for 2023 and 2024.

None the less, we had 20 athletes in attendance, across 11 events. Your 2023 Provincial Champions are as follows:

Open Champions Olympic/Paralympic Events	
10m Pistol Men	Igor Kozic
10m Pistol Women	Lori Kranenburg
25m Pistol Women	Lori Kranenburg
25m Olympic Rapid Fire	Dmitriy Pekach
Open Champions Non-Olympic Events	
Center Fire Pistol	Dusko Zivkovic
50m Pistol	Dmitriy Pekach
Standard Pistol	Toomas Aasa

In addition to the usual events we also included 10m Air Rifle, 25m Sport Pistol (men), and 25m CISM Rapid Fire Pistol as exhibition events. Results are below but no champions were declared.

In the following pages, please find all the winners by event and class. Due to turnout, some classes were merged to remain competitive.

Finally, I want to thank everyone for coming out. I had a great time spending the weekend with both old and new friends. There's a lot more work to do if we want this event to grow instead of fade, and a big part of it is to hold more matches across the province to bring along more club shooters into the higher echelons of competition. I'm going to be asking all of you to help with this. There was a lot of great shooting this weekend, some awesome scores as well as a few that were less awesome – a

few folks just had bad days, but I like to think that everyone enjoyed themselves. My philosophy is always “whoever has the most fun wins”, and if that’s the case, the podium was pretty crowded this weekend.

All in all, it was great having the family together again for the weekend. The old friends and the new. Speaking on behalf of the whole organizing team, we don’t come out for ONTarget, the Shooting Federation, and certainly not for the pay – we’re here for the love of the sport and the athletes. Thank you for your participation.

Fondly,  
Ian Pattison
