(Nov 12, 2025)

The 2025 Canadian National Pistol Championships were held again at the Lou Anderson Shooting Centre (the 2015 Pan Am legacy range). All events were shot on Megalink electronic scoring targets.

We had 71 competitors with a total of 142 match starts. The most popular event was 10m Air Pistol for Men followed by Standard Pistol. We had a total of 60 entries for 10m Air Pistol (42 men, 18 women).

Olympic Rapid Fire also saw a full line, with every possible position taken. Even the Recreational stream of Olympic Rapid Fire was nearly maxed out with 7 competitors.

Entries for Sport Pistol for both men and women were lower this year, with only 10 athletes in the ISSF stream, and 16 in the Recreational stream.

Overall this year's competitions ran much smoother than last year's Nationals. We have our amazing volunteer crew to thank for that. First is our match director Shari MacKinnon, for organizing this whole crazy thing in a short time. Then there is Pat Boulay, our assistant match director, Pistol Jury, Chief Official, and Megalink operator/troubleshooter. Pat wore so many hats for this competition I lost track of the things she took care of. For all the 10m shooters, I am sure you met Dennis Pyle and Margus Jukkum, the two steady handed Megalink operators for the 10m range. We also have to thank our officials Bob Ossowski (CRO .22 range) and Rob Jones (CRO air range). If you shot any of the .22 events downstairs, then you must thank our Megalink operator for the downstairs range from the US, Jen Meyers. Last but definitely not least is Elizabeth King, who you met at the registration desk, who helped Shari with medals organization, dealt with all team entries, as well as making sure all the volunteers got fed during the long days at the range.

We also should thank three competitors who assisted as block officers for some matches: Ian Pattison, Dragana Kornic, and Jim Sandall.

This year we have to give a special thanks to Asmir Arifovic of Tesro Canada. Without Asmir's assistance, we would not have been successful in bringing the Megalink consumables from Norway. Thanks to Asmir's team's quick work, and thanks to Richard Horne and Pat Vamplew for hauling the 400 lbs worth of consumables from the airport, all Nationals events had fresh consumables to run the electronic targets with.

Thank you to everyone who helped out to make this year's Nationals a success!
