

# 2026 TEPP SPRING RAPID FIRE MATCH RESULTS - June 13, 2026

We would like to thank those that came out to participate in our match. This was the fourth official pistol match run by the Toronto Estonian Rifle and Pistol Club. The event was mainly intended to be a 25M Rapid Fire Pistol match but in addition to the main match, there was an opportunity for competitors who had them to compete in separate categories using the old .22 short (Classic) rapid fire pistols or pistols with red dot sights.

The weather was awesome, sunny skies all day. The Estonian Summer Camp range is such a pleasure to shoot at when the weather is good. The officials needed good hats and sunscreen since they were out in it for the entire competition. Turnout was fantastic, a total of 14 athletes came out to shoot. All athletes shot the standard 25M Rapid Fire match and nobody shot the .22 short match or the red dot match, partially due to the fact that there were almost no spots available for the other matches. Also, quite a number of the shooters helped out with scoring both before and after their relay and we are very thankful to them for that. It makes a match like this so much easier to run.

As for the results, they have been entered into Score Tracker, the SFC results database. The classifications used for each shooter also came from Score Tracker. The match has also been posted on the ONTarget Results page.

Thank you  
The Match Organizers  
(Toomas, Margus and Dennis)
